CSI FRANKFURT 2023

Dear colleagues,

We are delighted to invite you to CSI, the leading conference on **catheter interventions in congenital, structural and valvar heart disease and heart failure** taking place June 28 – July 1 in Frankfurt, Germany.

Drop in for one of our full day Focus Workshops on particular topics in the field, or join us for the 4 day learning experience featuring parallel streams with **lectures from leading experts in the field** and live case transmissions showcasing **skillful operators from all over the world**.

You will be able to gain **valuable hands-on experience** in the CSI training hub and **learn about the newest devices, techniques and procedures** or explore new fields such as device therapies for heart failure.

CSI Frankfurt is renowned for its familiar atmosphere, where faculty is approachable, dialogue and discussion are encouraged and the focus lies on **networking and direct interaction** between attendees, faculty and industry alike.

For over 25 years, CSI has been a melting pot for physicians from all over the world – we look forward to welcoming you to the CSI family.

See you in Frankfurt,
